“A new commandment I give to you, that you love one another, even as I have loved you, that you also love one another. By this all men will know that you are My disciples, if you have love for one another” (John 13:34-35 NASB1995). We love, because He first loved us. If someone says, “I love God,” and hates his brother, he is a liar; for the one who does not love his brother whom he has seen, cannot love God whom he has not seen. And this commandment we have from Him, that the one who loves God should love his brother also (1John 4:19-21 NASB1995).

Benefits of Healthy Living

Everyone wants the benefits of healthy living...
higher energy levels, weight control, superior muscle
tone, pleasant mood, stronger bones, living longer,
lower risk of chronic diseases, better memory,
healthier skin, happiness, pain reduction, and
pushing the limits of what is possible. Sadly, few of
us are willing to make the necessary sacrifices for a
healthier life.

When it comes to healthy Christian living, there are
many benefits for the saints... a strong relationship
with God, loving relationships with other Christians,
the needs of every member of Christ’s body are
being met, the congregation is self-healing, the
church is attractive inside and out, protection from
evil, improved happiness, joy, peace, love, and
accomplishing more than we thought possible.
Unfortunately, some of us are unwilling to make the
necessary sacrifices to become a healthier church.

Over the next few weeks, I will be presenting the
“one another” assignments which God gives us in
Scripture. I will seek to raise our desire to be a
healthier body of Christ. Please make every effort to
attend the Sunday morning worship assembly and
help determine to help the Farmington congregation
to a healthier church.
